

VCE Results – Congratulating the Class of 2018

It is with great pleasure that I am able to share with you the wonderful VCE results of the Class of 2018. Preparing our students for the next step in their life is our fundamental obligation at St Michael's. Our students have a long history of continuing to tertiary study and into various post school pathways. Today, many of the Class of 2018 have achieved an ATAR that will enable them to take the next step into a tertiary course in their chosen area of study.

Mrs Terrie Jones
Head of the School
